Description

Coaxial cables for antennas made for all special and standard applications.

Technical data

Product number	85120380D
Code	LEONI Dacar® 302
Cable structure	Round
Conductor material	Cu-Li blank
Insulation	Cell-PP
Shield	AL-PETP-AL
Shield material	Cu verzinkt
Jacket material	PVC
Temperature range	-40°C bis +105°C
Nominal cross-section	0.4 mm ²
Impedance	50 Ω
