Kit Includes

About

The weBoost **Drive Sleek OTR** cellular signal booster improves voice and 4G/LTE and 3G data speeds inside your semi-truck, wherever the road takes you.

Designed specifically for today's connected truck driver, this kit combines the popular Drive Sleek cradle booster along with our best-performing 4G Trucker Antenna in a versatile, cost-effective communications solution.

The included 4G Trucker Antenna is compatible with all 3/8" x 24 CB antenna mounting points on the truck, or any after-market CB antenna mount.

This cellular signal booster delivers the maximum signal gain allowed by the FCC for cellular cradle boosters and comes with all components needed in one package, making DIY installation a breeze. Like all weBoost products, the Drive Sleek OTR come with a 2-year warranty.

Specifications

MODEL NUMBER	470235

	Band 13	700 MHz
	Band 5	850 MHz
	Band 4	1700/2100 MHz
	Band 2	1900 MHz
MAX GAIN	23 dB	
IMPEDANCE	50 Ohm	
USB PORT POWER	5 V, 2.1 A	
POWER TO BOOSTER	12 V, 1.5 A	
CONNECTORS	SMB	
DIMENSIONS	.65 x 1.60 x 7 in	
WEIGHT	.55 lbs	

Installation

- 1 Receives signal:** The powerful antenna reaches out to access a voice and 3G, 4G, and LTE data signal, and delivers it to the booster.
- 2 Boost signal:** The booster receives the signal, amplifies it, and serves as a relay between your phone and the nearest cell tower.
- 3 Broadcasts signal:** Your cellular phone gets a stronger signal, and calls (plus data) are fed through the booster, back to the cellular network.

Support

2 Year Warranty from Purchase.
