Kit Includes

Drive Reach OTR
Drive OTR Antenna (311229)
Slim Low-Profile Antenna (314419)
Mounting Bracket (901104)
Power Supply (850029)

About

The Drive Reach OTR is our most powerful in-vehicle truck cell phone signal booster certified in the US, with Wilson Electronics* ruggedized, all weather OTR Truck Omni-Directional Antenna for maximum connection range and a 60% larger service range than the other boosters out there. The Drive Reach OTR boosts voice and data with max FCC-allowed 50 dB system gain, enhancing all available network signals, up to 32x. Drivers get fewer lost connections and dead zones, better audio quality, faster data uploads and downloads with this premier signal booster.

As with all weBoost boosters, all components needed for installation come in one package for easy DIY installation. The power supply plugs into CLA, while ignition power kits are also available. The Drive Reach OTR works with all cellular devices and all U.S. carriers. The booster kit comes with parts to accommodate multiple installation options. Included are 2 mast extensions, 3-way antenna mount, side exit adapter, antenna spring, cable adapter, and thread lock packets.

All boosters come with a 2-year warranty.

Installation

Available Accessories
Optional Antenna Kits

1. **Receives signal:** The powerful antenna reaches out to access voice and data signals, and deliver them to the booster.

2. **Boost signal:** The booster receives the signal, amplifies it, and serves as a relay between your phone and the nearest cell tower.

3. **Broadcasts signal:** Your devices get a stronger signal, and calls and data are fed through the booster back to the network.

Support
